We are pleased to provide you with this document to confirm our understanding of the arrangements for your income tax return(s). This letter confirms the services you have asked our firm to perform and the terms under which we have agreed to do that work. Please read this letter carefully as it is important to both our firm and you, that you understand what you can and cannot expect from our services. This document explains the limitations of the services you have asked us to perform. If you do not understand the contents of this document or believe we have misunderstood your needs, please feel free to call and or discuss this document with us before you sign it.

The Internal Revenue Service imposes penalties on taxpayers, and on us as return preparers, for failure to observe due care in reporting for income tax returns. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom we prepare tax returns to confirm the following arrangements.

We will prepare your 2016 **Federal** and **State** for the above-mentioned entities and related **Federal** and **State** income tax return schedules from information you furnish us. We do not use foreign third parties for preparation of your tax return. We will not audit or otherwise verify the data you submit although we may ask you to clarify some of the information. We may furnish you with tax organizers and questionnaires to help you gather and organize the necessary information for us, in order to keep our fee to a minimum. **We are responsible for preparing only the returns listed previously, if you have taxable activity in a state other than that specifically listed you are responsible for providing our firm with all information necessary to prepare any additional applicable state(s) income tax returns as well as informing us of the applicable states.** If you have income tax filing requirements in a given state but do not file that return there could be possible adverse ramifications such as an unlimited statute of limitations, penalties, etc. If you would like us to investigate to determine each state where you have an income tax filing requirement please inform us. Souleance, LLC is now required to efile all business returns. If you cannot e-file or refuse to have your return e-filed, you will be required to sign a release and mail your return to the proper tax authorities yourself.

If you have derived income from a foreign country, we will use the foreign country income information, which you provide to calculate any applicable federal or state foreign tax credit or other affected federal or state income tax items. However, you are responsible for meeting any foreign country income tax or other foreign country reporting requirements.

We must receive all information to prepare your return by March 1, 2017, to ensure that your return will be completed by March 15, 2017. If we have not received all of your information by March 1, 2017 and your return is not completed by March 15, 2017, you may be subject to late filing or late payment penalties. **We do not file tax extensions for clients unless specifically requested to do so.**

_____ (Initial) I have read and agree to Souvence LLC's tax filing deadlines and extension policy.

It is your responsibility to maintain, in your records, the documentation necessary to support all the data used in preparing your tax returns. If you have any questions as to the type of records required, please ask us for advice in that regard. It is also your responsibility to carefully examine and approve your completed tax returns before signing and mailing them to the tax authorities. We are not responsible for the disallowance of doubtful deductions or inadequately supported documentation, nor for resulting taxes, penalties and interest. We will rely, without further verification, upon information you provide to us from 3rd parties including, but not limited to forms, K-1, 1099, 1098, receipts and similar items.

Our fee does not include responding to inquires or examination by taxing authorities. However, we are available to represent you and our fees for such services are at our standard rates and would be covered under a separate engagement letter.

We will use our professional judgment in preparing your returns. Whenever we are aware that a possibly applicable tax law is unclear or that there are conflicting interpretations of the law by authorities (e.g., tax agencies and courts), we will explain the possible positions that may be taken on your return. We will adopt whatever position you request on your return so long as it is consistent with the codes, regulations, and interpretations that have been promulgated. If the Internal Revenue Service should later contest the position taken, there may be an assessment of additional tax plus interest and penalties. We assume no liability for any such additional penalties or assessments.

If we are asked to disclose any privileged communication, unless we are required to disclose the communication by law, we will not provide such disclosure until you have had an opportunity to argue that the communication is privileged. You agree to pay any and all reasonable expenses that we incur, including legal fees, that are a result of attempts to protect any communication as privileged.)
